Our next parish conference will be on this coming Saturday 14<sup>th</sup> July, 9.00 a.m. - 12.00 noon, when we will be looking at our Stewardship of time talents and money. Please make a special effort to come to this conference. Stewardship is one of the big challenges facing our Church, and something we need to really come to grips with if our Church is to have a future. If we want to hand on a thriving Church to future generations, we need to act now! Just jogging along the way we are and ignoring the problem is not a long term solution! Please try your very best to come along!

Please also fill in the questionnaires which have been handed out, so that we can prepare for the conference and get the best from it.
